

SUNNYDAZE PRESSURE WASHING

Sales & Job Tracker App

Training & User Guide · (814) 853-0641 · sunnydazepressurewashing.com

1. Getting Started

The SunnyDaze Sales Tool is a mobile app for logging customers, tracking sales and estimates, managing commercial accounts, and syncing everything to a shared Google Sheet in real time.

How to Access

- Open Chrome or Samsung Internet on your phone
- Go to: sunnydazepressurewashing.com/jobs
- The app opens and shows the login screen

💡 Add the app to your home screen — tap the browser menu and select Add to Home Screen for quick access.

2. Logging In

Step 1 — Select Your Name

Tap your name on the login screen to continue. Then enter your 4-digit PIN assigned by your manager.

Rep / Role	PIN
Sales Rep 1	Assigned by Manager
Sales Rep 2	Assigned by Manager
Sales Rep 3	Assigned by Manager
Manager Access	Assigned by Manager

💡 Contact your manager to get your personal PIN before your first login.

Fingerprint Login

- First time: enter your PIN, then tap OK when asked to register your fingerprint
- After registration: tap your name then scan your finger for instant login!

- Fingerprint failed? Just enter your PIN as normal

Manager Access

- Tap the  MANAGER VIEW button on the login screen
 - OR log in as a rep then tap the  Mgr button in the top right header
 - Enter the Manager PIN (provided by your manager)
 - First time: register manager fingerprint for instant access next time
-

3. Logging a Customer

Tap the + Log tab. Every customer you visit should be logged — whether they bought, wanted an estimate, or said no.

Step 1 — Select Outcome

-  **SOLD — They agreed to hire us**
-  ESTIMATE — They want a price but have not committed
-  FOLLOW UP — They need more time, set a follow up date!
-  NOT INTERESTED — They said no

Step 2 — Fill In Customer Details

- First Name (required)
- Last Name
- Phone Number — important for follow ups!
- Address
- Services — check all that apply (you can select multiple!)
- Amount — the price quoted or agreed on

Step 3 — PA Sales Tax (Optional)

Check Apply PA Sales Tax (6%) to automatically calculate tax and show the total.

Step 4 — Dates & Payment

- Job Date — when the job is scheduled or completed
- Follow Up Date — when to call back (for Follow Up status)
- Payment Method — Credit Card, Cash, Check, PayPal, Venmo

Step 5 — Tap Save

The entry saves instantly on your phone and automatically syncs to the shared Google Sheet.

 You need an internet connection to sync to Google Sheets.

4. Editing a Customer

Made a mistake? No problem — tap the Edit button on any customer card.

- Tap  Edit on any customer card
 - The Log form opens with all their info pre-filled
 - Make your changes
 - Tap Save
 - Updates locally AND updates Google Sheets automatically
-

5. Viewing Leads

Tap the  Leads tab to see all your logged customers. Managers see all reps combined.

Filter by Status

- All — every customer logged
-  Sold — customers who agreed to hire us
-  Estimate — customers waiting on a decision
-  Follow Up — customers to call back
-  Lost — customers who said no

Card Actions

-  Edit — edit any field and update Google Sheets
 -  Status — quickly change the outcome
 -  Delete — remove with double confirmation
-

6. Tracking Jobs & Payments

Tap the  Jobs tab to see all SOLD jobs and track payments.

-  Collected — total money received from paid jobs
-  Unpaid — outstanding balance on unpaid jobs
-  Jobs — total number of sold jobs

Tap Mark Paid when you receive payment from a customer. Tap again to mark unpaid if needed.

7. Your Dashboard

The  Dash tab shows your personal performance at a glance:

- 💰 Revenue — money collected from paid jobs
- 📄 Estimates — number of estimates given
- 🔔 Follow Ups — customers waiting to hear back
- ✅ Close Rate — percentage of leads converted to sales
- 📦 Sold — total jobs sold
- ❌ Lost — customers who said no

Today's Follow Ups

The dashboard shows any customers with a follow up date set for today so you never miss a callback.

8. Manager View

Access with the Manager PIN or manager fingerprint. Shows data from ALL reps combined, pulled live from Google Sheets.

Team Overview

- Total revenue, leads, sold jobs, estimates, follow ups and close rate

Individual Rep Performance

- Revenue, Sold, Estimates, Follow Ups, Close Rate, Lost — per rep

Follow Up Alerts
