

SUNNYDAZE PRESSURE WASHING

Sales App & Time Clock

Complete Training & User Guide · (814) 853-0641 · sunnydazepressurewashing.com

1. Getting Started — Sales App

The SunnyDaze Sales Tool is a mobile app for logging customers, tracking sales and estimates, and syncing everything to a shared Google Sheet in real time.

How to Access

- Open Chrome or Samsung Internet on your phone
- Go to: sunnydazepressurewashing.com/jobs
- Tap your name on the login screen to get started

💡 Add the app to your home screen — tap the browser menu and select Add to Home Screen for quick one-tap access.

2. Logging In — Sales App

Select Your Name & Enter PIN

Tap your name on the login screen then enter your 4-digit PIN assigned by your manager. Your PIN is personal — do not share it.

Fingerprint Login

- First time: enter your PIN then tap OK when asked to register your fingerprint
- After registration: tap your name then scan your finger for instant login
- Fingerprint failed? Just enter your PIN as normal

💡 The app automatically logs out after 5 minutes of inactivity to keep your data secure.

3. Logging a Customer

Tap the + Log tab. Log EVERY customer you visit — whether they bought, wanted an estimate, or said no.

Step 1 — Select Outcome

-  **SOLD — They agreed to hire us**
-  **ESTIMATE** — They want a price but have not committed
-  **FOLLOW UP** — They need more time, set a follow up date!
-  **NOT INTERESTED** — They said no

Step 2 — Fill In Customer Details

- First Name (required), Last Name, Phone Number, Address
- Services — check ALL that apply (you can select multiple at once!)
- Amount — the price quoted or agreed on

Step 3 — PA Sales Tax (Optional)

Check Apply PA Sales Tax (6%) to automatically calculate tax and show the total.

Step 4 — Dates & Payment

- Job Date — when the job is scheduled or completed
- Follow Up Date — when to call back (for Follow Up customers)
- Payment Method — Credit Card, Cash, Check, PayPal, Venmo

Step 5 — Tap Save

Saves instantly on your phone and syncs to Google Sheets automatically.

4. Editing a Customer

- Tap  Edit on any customer card in the Leads tab
- The form opens with all info pre-filled — make your changes
- Tap  Save — updates locally AND in Google Sheets

5. Viewing Your Leads

Tap the  Leads tab to see all your logged customers. Filter by All, Sold, Estimate, Follow Up or Lost.

-  Edit — fix any details
-  Status — change the outcome
-  Delete — double confirmation required

6. Tracking Jobs & Payments

Tap the  Jobs tab to see all SOLD jobs. Tap Mark Paid when you receive payment.

-  Collected — total money received
-  Unpaid — outstanding balance
-  Jobs — total sold jobs

7. Your Dashboard

-  Revenue — collected from paid jobs
-  Estimates — estimates given
-  Follow Ups — customers to call back
-  Close Rate — your conversion percentage
-  Sold — total jobs sold
-  Lost — said no
-  Commission — earned on paid jobs

Today's follow ups appear automatically on your dashboard so you never miss a callback.

8. Tips for Success

- **Log EVERY customer — even if they say no. This tracks your close rate.**
- **Always enter a phone number for Follow Up customers.**
- **Set a Follow Up Date so it appears on your dashboard.**
- **Mark jobs as Paid as soon as you receive payment — affects your commission.**
- **Use Edit to fix mistakes — updates Google Sheets automatically.**
- **Select MULTIPLE services when logging — check all boxes that apply.**

TIME CLOCK SECTION

For hourly employees — clock in, lunch and clock out instructions

TC1. What is the Time Clock?

The SunnyDaze Time Clock is a separate app for hourly employees to track their work hours. It records when you start work, take lunch and finish for the day. All hours sync automatically to Google Sheets.

How to Access

- Open Chrome or Samsung Internet on your phone
- Go to: sunnydazepressurewashing.com/timeclock
- Tap your name and enter your PIN to log in

💡 Add the time clock to your home screen too — tap the browser menu and select Add to Home Screen.

TC2. Clocking In — Start of Your Shift

Do this as soon as you arrive at work — before you start any tasks.

1	Go to sunnydazepressurewashing.com/timeclock on your phone
2	Tap your name on the login screen
3	Enter your 4-digit PIN
4	Tap the green  CLOCK IN button
5	You will see your status change to  CLOCKED IN with your clock-in time

💡 The live clock at the top of the screen shows the current time. Your clock-in time is recorded the moment you tap the button.

⚠️ Do NOT clock in for someone else. Each person must clock in on their own phone with their own PIN.

TC3. Taking a Lunch Break

You must record both the START and END of your lunch break. This time is automatically subtracted from your total hours worked.

Starting Lunch

1	When you are ready to take your lunch break tap the yellow  LUNCH START button
2	Your status will change to  ON LUNCH BREAK
3	The Clock Out button will be disabled until you end lunch

Ending Lunch

1	When you return from lunch tap the orange  LUNCH END button
2	Your status changes back to  CLOCKED IN
3	The lunch duration is automatically calculated and subtracted from your hours

 *You must tap LUNCH END before you can Clock Out. If you forget to end lunch contact your manager immediately — they can adjust your time.*

 *You can only take one lunch break per shift. Plan accordingly.*

TC4. Clocking Out — End of Your Shift

Do this before you leave — do not clock out and then keep working.

1	Make sure you have tapped LUNCH END if you took a lunch break
2	Tap the red  CLOCK OUT button
3	Your total hours worked will be calculated and displayed
4	Your time entry syncs automatically to Google Sheets

 *After clocking out your shift summary shows Clock In time, Lunch duration and total Hours Worked for the day.*

 *If you forget to clock out contact your manager right away. They can adjust your clock-out time.*

TC5. Viewing Your Hours

After logging in tap the  History tab to see all your past time entries.

- Filter by All, This Week or This Month
- See total hours worked and any overtime in the stats at the top
- Each entry shows: date, clock in time, lunch, clock out time and hours worked
- Overtime entries are highlighted in red

TC6. Your Dashboard — Time Clock

The  Clock tab shows your current shift status and today's stats:

-  Today — hours worked so far today
-  Lunch — how long your lunch break was
-  This Week — total hours worked this week
-  Overtime — any overtime hours this week

Today's punch log at the bottom shows your exact clock in, lunch start, lunch end and clock out times.

TC7. Important Rules

-  *Always clock in when you arrive and clock out when you leave — every day.*
-  *Never clock in or out for another employee.*
-  *If you forget to punch in, punch out or record lunch — tell your manager immediately so they can adjust your time.*
-  *Overtime (over 8 hours in a day) is automatically flagged and reported to your manager.*

Forgot to Punch? Contact Your Manager

If you forget to clock in, clock out, start lunch or end lunch your manager can adjust your time entry. Contact them as soon as possible with:

- The date of the missed punch
- The correct time you actually started or stopped
- A brief reason (e.g. "forgot to clock in, arrived at 7:30 AM")

MANAGER SECTION

The following sections are for managers only. Manager PIN required.

M1. Accessing Manager View

- Tap  MANAGER VIEW on the login screen and enter the Manager PIN
- OR log in as yourself then tap the  Mgr button in the top right header
- First time: register your fingerprint for instant manager access next time

M2. Team Overview & Performance

- Combined revenue, leads, sold, estimates, follow ups and close rate for all reps

- Individual rep stats — revenue, sold, estimates, follow ups, close rate, lost, commission
 - Commission rate shown next to each rep name
-

M3. Commission Report

- Green banner shows total commission owed to ALL reps combined
- Per rep breakdown: rate %, owed now, pending (unpaid jobs), paid vs total jobs
- Auto-calculates every time Manager tab opens
- Formula: Commission Owed = Paid Jobs Revenue × Commission Rate %

💡 Only paid jobs count toward commission owed. Unpaid jobs show as Pending.

M4. Follow Up Alerts

- Popup appears automatically when Manager tab opens with all follow ups due today
 - Shows customer name, phone and which rep logged them
 - Tap VIEW FOLLOW UPS to go straight to the sorted follow up list
-

M5. Commercial Accounts (Biz Tab)

- Add recurring commercial contracts with business info, services, schedule and amount
 - Select multiple services per account
 - Schedules: Daily, Weekly, Bi-Weekly, Monthly, Quarterly, Yearly
 - Mark Paid / Unpaid per visit — syncs to Google Sheets Commercial tab
 - Edit or delete accounts with confirmation
-

M6. Settings ()

Rep Management

- All rep names, IDs and current PINs visible to managers
- Change any rep PIN — tap Change next to their name
- Add new rep — tap **+** ADD NEW REP, enter name and 4-digit PIN
- Remove rep — tap **×** (cannot remove yourself or last rep, double confirmation)

Commission Rates

- Enter commission % per rep and tap Save

- Only managers can set or change commission rates
- Takes effect immediately in the Commission Report and rep dashboards

Tax Forms

- 1099-NEC — for independent contractors paid \$600+ per year
- W-9 — have contractors fill this out before issuing a 1099

M7. Managing the Time Clock

Adding Employees

- Go to sunnydazepressurewashing.com/timeclock
- Tap Manager View and enter Manager PIN
- Tap  Settings >  ADD EMPLOYEE
- Enter employee name and assign a 4-digit PIN

Adjusting Time Entries

- Go to  Mgr tab in the time clock app
- Scroll to All Time Entries and find the entry to fix
- Tap  Adjust button on the entry card
- Edit date, clock in, lunch start, lunch end or clock out times
- Add a note explaining the reason for the adjustment
- Tap Save — hours and overtime recalculate automatically

Overtime

- Flagged automatically when employee exceeds 8 hours in a day
- Shown in red in the time clock app and Google Sheet
- Weekly overtime tracked when employee exceeds 40 hours

M8. Quick Reference

Item	Detail
Sales App URL	sunnydazepressurewashing.com/jobs
