

SUNNYDAZE PRESSURE WASHING

Sales App & Time Clock

Complete Training & User Guide (814) 853-0641 sunnydazepressurewashing.com

1. Getting Started

The SunnyDaze Sales Tool is a mobile app for logging customers, tracking sales, managing leads and jobs, and syncing to Google Sheets in real time.

How to Access

- * Open Chrome and go to: sunnydazepressurewashing.com/jobs
- * Tap your name on the login screen to get started

NOTE: Add to your home screen for one-tap access each day.

2. Logging In

Tap your name then enter your 4-digit PIN. Your PIN is personal - do not share it.

Fingerprint Login

- * First time: enter PIN - tap OK to register your fingerprint
- * After: tap name - scan finger for instant login
- * Fingerprint failed? Enter your PIN as normal

NOTE: The app logs out automatically after 5 minutes of inactivity.

3. Logging a Customer

Tap the Log tab. Log EVERY customer you visit.

Step 1 - Select Outcome

- * SOLD - They agreed to the job
- * ESTIMATE - They want a price but have not committed
- * FOLLOW UP - They need more time - set a follow up date!
- * NOT INTERESTED - They said no

Step 2 - Customer Details

- * First Name (required), Last Name, Phone, Address
- * Services - check ALL that apply (multiple allowed)
- * Amount - price quoted or agreed on

Step 3 - Tax, Dates & Payment

- * Check Apply Sales Tax (6%) to auto-calculate total
- * Job Date - when the job is scheduled or completed
- * Follow Up Date - when to call back
- * Payment Method - Credit Card, Cash, Check, PayPal, Venmo

Tap Save - saves to your phone and syncs to Google Sheets.

4. The Leads Tab

Shows all active customers - Estimates, Follow Ups and Lost. Sold and Cancelled customers move to their own sections.

Filter Pills

- * All Active - Estimates and Follow Ups only
- * Estimate - customers waiting on a price decision
- * Follow Up - customers to call back
- * Lost - customers who said no
- * Cancelled - jobs booked then cancelled by customer

Changing a Customer Status

Tap the colored status button on any card to open the status picker:

- * SOLD - job confirmed! Moves to Jobs tab automatically
- * ESTIMATE - back to waiting
- * FOLLOW UP - needs a callback
- * LOST - said no
- * CANCELLED - job was booked then cancelled

Card Actions

- * Edit button - edit any detail, add missing dates or service info
- * Status button - change the outcome
- * Trash icon - delete (double confirmation required)

5. The Jobs Tab

Shows all SOLD jobs. Track payments and schedule return visits here.

Payment Tracking

- * Tap Mark Paid - enter amount received (leave blank for full payment)
- * Partial payments - enter the amount, balance shows on the card
- * Tap Add Payment again to record additional payments
- * When fully paid - automatically shows Paid in Full
- * Collected and Unpaid totals update at the top of the tab

Scheduling a Return Visit

Set a future reminder to follow up with a customer for repeat service.

- * Tap Return Visit on any sold job card
- * Choose: 1 Year, 18 Months, 2 Years, or custom date
- * Return visit date shows on the card in purple
- * Purple banner appears when any return visits are due within 30 days

NOTE: You will receive an email reminder on the morning the return visit is due.

6. Editing a Customer

- * Tap Edit on any customer card in Leads or Jobs tab
- * The form opens with all info pre-filled
- * Make changes - add missing dates, services, notes etc.
- * Tap Save - updates the app AND Google Sheets automatically

7. Your Dashboard

- * Revenue - collected from paid and partially paid jobs
- * Estimates - number given
- * Follow Ups - customers to call back
- * Close Rate - your conversion percentage
- * Sold - total jobs sold
- * Lost - customers who said no
- * Commission - earned on paid jobs based on your rate

Today's follow ups appear on your dashboard automatically.

8. Website Leads

When a customer fills out the contact form on the website it appears in Leads as an Estimate automatically.

- * Manager receives an instant email notification
- * Lead shows with rep name "Website"
- * Edit, change status, mark paid and delete just like any other lead

9. Tips for Success

- * **Log EVERY customer - even no-sales track your close rate.**
- * **Always enter a phone number for Follow Up customers.**
- * **Set a Follow Up Date so it shows on your dashboard.**
- * **Mark jobs as Paid right away - affects your commission.**
- * **Use Edit to add missing info like service date or follow up date.**
- * **Schedule a Return Visit on every job - repeat customers are easy money!**
- * **Select MULTIPLE services - check all that apply.**

TIME CLOCK SECTION

For hourly employees - clock in, lunch and clock out

TC1. What is the Time Clock?

Tracks hourly employee hours. Records when you start, take lunch and finish. All hours sync to Google Sheets.

How to Access

- * Go to: sunnydazepressurewashing.com/timeclock
- * Scan the QR code posted at your work location
- * Tap your name and enter your PIN or fingerprint

NOTE: Add to your home screen for quick one-tap access each day.

TC2. Clocking In

Do this the moment you arrive before starting any work.

1	Go to sunnydazepressurewashing.com/timeclock
2	Tap your name
3	Enter your PIN or scan your fingerprint
4	Tap the green CLOCK IN button
5	Status changes to CLOCKED IN - you are on the clock!

WARNING: Do NOT clock in for someone else. Each person must use their own phone and PIN.

TC3. Lunch Break

Record both START and END of your lunch break. The time is automatically subtracted from your hours.

Starting Lunch

1	Tap the yellow LUNCH START button when you leave for lunch
2	Status changes to ON LUNCH BREAK
3	Clock Out is disabled until you end lunch

Ending Lunch

1	Tap the orange LUNCH END button when you return
2	Lunch duration is subtracted from your hours automatically

WARNING: You must tap LUNCH END before you can Clock Out. If you forget, contact your manager immediately.

TC4. Clocking Out

Do this before you leave.

1	Make sure you have tapped LUNCH END if you took a break
2	Tap the red CLOCK OUT button
3	Total hours worked are calculated and shown
4	Entry syncs automatically to Google Sheets

WARNING: Forgot to clock out? Contact your manager right away so they can fix your time.

TC5. Fingerprint Login

- * First time: enter PIN - tap OK to register your fingerprint
- * Next time: tap name - fingerprint prompt fires automatically
- * Fingerprint failed? PIN screen appears with retry button

TC6. Viewing Your Hours

Tap the History tab to see all past time entries.

- * Filter by All, This Week or This Month
- * Total hours and overtime shown at the top
- * Overtime entries highlighted in red

TC7. Important Rules

WARNING: Always clock in when you arrive and clock out when you leave.

WARNING: Never clock in or out for another employee.

WARNING: Forgot to punch? Tell your manager immediately with the correct time.

WARNING: Overtime over 8 hours in a day is flagged and reported to your manager.

MANAGER SECTION

The following sections are for managers only. Manager PIN required.

M1. Manager Access

- * Tap MANAGER VIEW on the login screen
 - * OR log in as a rep then tap the Mgr button in the top right
 - * First time: enter Manager PIN - register fingerprint for instant access next time
-

M2. Team Overview & Commission Report

- * Combined team stats: revenue, leads, sold, estimates, follow ups, close rate
- * Individual rep stats: revenue, sold, estimates, follow ups, close rate, lost, commission
- * Commission Report: total owed to all reps, per rep breakdown
- * Owed Now = paid job revenue x commission rate %
- * Pending = unpaid job revenue x commission rate % (waiting for payment)

NOTE: Commission auto-calculates every time the Manager tab opens.

M3. Notifications & Alerts

- * New website lead - instant Gmail push notification with customer details
- * Follow up set by rep - instant Gmail notification
- * Daily 7am email - all follow ups AND return visits due today
- * Overtime alert - email when employee exceeds 8 hours
- * Return visits due within 30 days - purple banner in Jobs tab

NOTE: Make sure Gmail notifications are enabled on your phone for instant alerts.

M4. Managing Leads & Jobs

- * Leads tab auto-fetches from Google Sheets on open
 - * Website form leads appear as Estimates with rep "Website"
 - * Edit, change status, mark paid or delete any lead from any rep
 - * Sold leads move to Jobs tab - managers see all reps combined
 - * Partial payments tracked per job: Total, Paid and Balance on each card
 - * Cancelled status for jobs booked then cancelled by customer
-

M5. Return Visit Management

- * Tap Return Visit on any sold job to schedule a future follow up
- * Options: 1 Year, 18 Months, 2 Years or custom date
- * Purple banner in Jobs tab shows return visits due within 30 days

- * Email reminder sent on the morning of the return visit date
-

M6. Commercial Accounts (Biz Tab)

- * Add recurring commercial contracts with services, schedule and amount
 - * Schedules: Daily, Weekly, Bi-Weekly, Monthly, Quarterly, Yearly
 - * Mark Paid/Unpaid per visit - syncs to Google Sheets Commercial tab
-

M7. Settings

Rep Management

- * All rep names, IDs and PINs visible to managers
- * Change any rep PIN - tap Change next to their name
- * Add new rep - tap ADD NEW REP, enter name and 4-digit PIN
- * Remove rep - tap X (cannot remove yourself, double confirmation)

Commission Rates

- * Set commission % per rep and tap Save
- * Only managers can set or change rates
- * Takes effect immediately in Commission Report and rep dashboards

Tax Forms

- * 1099-NEC - for independent contractors paid \$600+ per year
 - * W-9 - have contractors fill out before issuing 1099
-

M8. Time Clock Management

Adding Employees

- * Go to timeclock - Manager View - Settings - ADD EMPLOYEE
- * Enter name, 4-digit PIN and set hourly wage

Adjusting Time Entries

- * Go to Mgr tab - scroll to All Time Entries
- * Tap Adjust to fix clock in, lunch or clock out times
- * Add a note explaining the reason - hours recalculate automatically

Deleting a Time Entry

- * Tap Delete on any entry (double confirmation required)
- * Removes from the app AND from Google Sheets

Wage Report

- * Shows daily, weekly and monthly pay per employee
- * Overtime calculated at 1.5x rate automatically
- * Weekly and monthly payroll totals shown at top
