1. Getting Started

App Access

The SunnyDaze Sales App is a web app — no download needed:

sunnydazepressurewashing.com/jobs

Add to home screen: iPhone → Share → Add to Home Screen | Android → 3 dots → Add to Home Screen

Logging In

- Tap your name on the login screen
- Enter your personal 4-digit PIN (provided by your manager)
- Or use fingerprint if registered

 **NOTE:** Your PIN is personal — do not share it. Contact your manager if you forget it.

2. Logging a Customer

Tap  LOG in the bottom navigation.

Step 1 — Customer Type

-  RESIDENTIAL — Goes to Leads/Jobs tab
-  BUSINESS — Goes to Biz tab

Step 2 — Outcome

-  SOLD — Customer agreed to service
-  ESTIMATE — Gave price, waiting on decision
-  FOLLOW UP — Set a callback date
-  NOT INTERESTED — Mark as lost

 **NOTE:** Tap the outcome button before filling in other fields.

Step 3 — Customer Details

- First & Last Name, Phone, Email (tap "No Email" if none)
- Street Address, City, State, Zip

 **TIP:** Tap the  address on any card to open Google Maps navigation to that address!

Step 4 — Services & Amount

- Check all services quoted, enter dollar amount, check Taxable if applicable

Step 5 — Dates

- Job Date — when the job will be done
 - Follow Up Date — when to call back (for estimates/follow ups)
-

3. Managing Customers

Leads Tab

- Shows all estimates, follow ups and not interested
- Filters: All, Estimate, Follow Up, Lost

Jobs Tab

- Active — sold but not yet completed
- Completed — finished and paid

Biz Tab

- Commercial/business accounts
 - Status button — Sold, Estimate, Follow Up, Lost, Cancelled
 -  Mark Paid only shows when status is Sold
-

Card Actions

Edit

- Tap Edit to update customer info, then tap Save

Status Button

- Changes the outcome — moving to Sold shows Mark Paid button

Mark Paid

- Choose: Paid in Full or Partial Payment
- Select method: Cash, Credit Card, Check, Zelle, Venmo
- Paid in Full → moves to Completed
- Partial → set next payment date or full payment plan

Payment Plans

- Enter monthly amount and number of months
- Next payment date auto-fills to 1 month from job date
- Orange banner shows plan details on card
- 7am daily email alerts for payments due today

Address

- Tap address → opens Google Maps to that location
- Tap  PIN → opens Maps with customer name as label, then tap Save

4. Deleting a Customer

⚠️ **NOTE:** Only managers can delete customers. You will be prompted to enter a manager-provided code.

- Tap 🗑️ on any card → enter the manager code → customer deleted from app and sheet

💡 **TIP:** If a deleted customer comes back, contact your manager to clear the deleted items list.

5. Website Leads

- Customer fills out form at sunnydazepressurewashing.com
- Lead saves to Google Sheets and email notification sent
- Appears in Leads tab under Estimates (manager view only)

💡 **TIP:** Website leads refresh automatically when you tap the Leads tab as manager.

6. Manager View

Access

- Tap 👤 MANAGER VIEW on login screen → enter manager access code

⚠️ **NOTE:** Manager access code is provided by the business owner. Keep it confidential.

Manager Tabs

👤 **Leads** — All leads from all reps including website leads

🔨 **Jobs** — All jobs from all reps

🏢 **Biz** — All commercial accounts
